These General Terms and Conditions of Purchase (hereinafter referred to as the “General Terms”) shall apply exclusively to all orders, deliveries and services provided to Winterthur Technology (Austria) GmbH (hereinafter referred to as the “Purchaser”).

Any terms and conditions of the Supplier shall not apply unless expressly accepted in writing by the Purchaser. Silence, acceptance of deliveries or payments shall not constitute such acceptance. These General Terms constitute the entire agreement between the parties with respect to the subject matter hereof. Any amendments or deviations must be agreed in writing.

2. Orders and Contract Conclusion

All orders shall only be binding if issued by the Purchaser in writing, including electronic form (e.g., email or ERP system).

The Supplier shall confirm each order in writing within seven (7) calendar days. If no confirmation is received, the Purchaser reserves the right to withdraw the order without liability.

Contracts shall only become effective upon written confirmation by the Supplier, provided such confirmation does not deviate from the Purchaser’s order. Any deviations shall only become binding if expressly approved in writing by the Purchaser.

The Purchaser reserves the right to amend or cancel orders at any time prior to delivery, provided that reasonable costs that are verifiable, unavoidable or already incurred are compensated, excluding loss of profit.

Partial deliveries require prior written consent.

In cases of force majeure, both parties shall be released from their obligations for the duration of the event. If such event exceeds three (3) months, either party may withdraw.

All prices shall be fixed prices and include all costs, in particular transport, insurance, customs duties and packaging. Price changes require prior written agreement. Cost reductions prior to delivery shall be passed on to the Purchaser.
